## **ChipsAway raise money for Comic Relief**

**March 2009**

Comic Relief was launched on Christmas Day in 1985, live on BBC One. At that time, a devastating famine was crippling Ethiopia and something had to be done. That something was Comic Relief.

Having supported the event for the past 5 years, this year ChipsAway are aiming to raise even more money by dressing up for work. Ideas so far range from Pirates and Indians to Cops & Robbers. Our aim is to raise over £200 for this very worthy cause, through both contributions from Head Office staff and also by calling on all franchisees for your support!
